

PRASSEDE COLOMBO

President IIBA® Italy Chapter

Prassede Colombo is an enthusiastic and passionate Management Consultant. Has 30 years of experiences in portfolio, program, project management and business analysis. She believes in sharing experiences and disciplines through an open and agile analysis mindset to work with customers to better apply new approaches and be able to adapt to the current digital transformation to create value for the society. In March 2008 she founded the IIBA® Italy Chapter to develop the awareness of the relevance of the Business Analysis Professions and develop them. She is currently President of IIBA® Italy Chapter. She is a Partner at PMProgetti.
